The videotaped deposition of KIMBERLY KENTON, M.D.,
called by the Plaintiffs for examination, taken
pursuant to the Federal Rules of Civil Procedure of
the United States District Courts pertaining to the
taking of depositions, taken before CORINNE T.
MARUT, C.S.R. No. 84-1968, Registered Professional
Reporter and a Certified Shorthand Reporter of the
State of Illinois, at the offices of Drinker Biddle
& Reath LLP, Suite 3700, 191 North Wacker Drive,
Chicago, Illinois, on February 18, 2016, commencing
at 5:48 p.m.

Kimberly Kenton, M.D.

1 it doesn't classically cause a
2 foreign body response. And the
3 difference between a midurethral
4 sling using a macroporous mesh is
5 that you actually get good tissue
6 ingrowth of those. You don't get
7 tissue ingrowth of a single suture
8 or a splinter or a piece of
9 Mersilene mesh.)

10 THE REPORTER: Do you want me to keep going?

11 MR. SNELL: No, that's the answer to the
12 question.

13 BY MS. FITZPATRICK:

14 Q. Okay. I'm going to ask you.

15 A TVT device made by Ethicon can cause a
16 foreign body response in a woman, is that correct?

17 A. Did you say can or cannot?

18 Q. Can.

19 A. Yes.

20 Q. Okay.

21 A. But I don't think it's classically the
22 reason that women have mesh exposures.

23 Q. Okay. When a woman comes to you as a
24 patient for treatment of SUI, do you do a pelvic

Kimberly Kenton, M.D.

1 exam?

2 A. I do.

3 Q. Okay. And if that patient in your
4 practice, just a patient now, wants to bring her
5 husband or someone else into the exam room with
6 her, do you allow that to happen?

7 A. I do.

8 Q. Have you ever told a patient that she is
9 not allowed to bring someone into the exam room
10 with her while you're doing a pelvic exam?

11 A. I've never told a woman that she
12 couldn't bring someone with her, no.

13 Q. And do you perform urodynamic testing?

14 A. I do.

15 Q. Do you give informed consent for that
16 procedure?

17 A. For urodynamics I do. I don't do it
18 very often anymore, but when I do do it.

19 Q. Okay. And do you perform cystoscopies?

20 A. I do.

21 Q. And do you give an informed consent for
22 that?

23 A. I do.

24 Q. What is informed consent?
